

The ultimate puzzle adventure is back!

Shore up and build your empire on a legendary, magical new land in Puzzle Craft 2. Farm crops, excavate mines, scour the seas and transform emerging settlements into bustling towns for your workers.

Trailer: <https://vimeo.com/131532472>

Mine, craft, build! – match tiles, collect valuable resources, craft tools and build up your towns. Use your influence and magical runes to control weather, summon villagers and more!

Land, air and sea – discover new species and resources as you explore this magical island. Venture out to sea in search of more supplies and discover long lost treasures.

Rule them all! – journey across a massive empire, rule over many settlements at once and grow a mighty empire in the biggest Puzzle Craft yet!
